

The Intimus model 26CC is designed for home or small office use. It has an auto on/off and reverse in case of jams. A light that indicates "Oiling Required" will let the operator know when the shredder needs to be oiled. The cutting cylinders are hardened steel for maximum shredding. This shredder has locking casters for effortless moving and stay in place operation. The 26CC will shred paper, including paper clips and staples, credit cards, CDs, and DVDs. Limited lifetime warranty on cutting cylinders.
